July-August 2021

This is the last week to take in Jill Timm's art presentation of original and numbered silk screen prints known as serigraphs and her artist books include a 3D book you can view. Don't miss her unusual artistry.

### Circle your calendar for August 7 *Two River's once a year event*

The *Annual Sidewalk Sale* in front of Two Rivers gallery is a one day event. We sell off most of our donations of all art and art supplies donated to us over the year.

If you have an art related donation to include in the sale you can bring it to the gallery from 3pm to 4pm on the Friday night before our sale. We will try to fill the front rooms with whatever you no longer need. For ideas just look over our poster. Thanks for helping to support Wenatchee's Artist Run art gallery.

### Coming in August

Two Rivers Gallery, for the month of August, features Jan Cook Mack, a community treasure who perhaps is the best known living artist in NC Washington. Many artists have learned from her teachings and the community from her murals and other public art. Jan's paintings and prints are popular in many homes as well as her greeting cards and jewelry.

Please share the poster with your contacts.

### Coming in Fall

A First Friday event may also be approved for our October Show.

### Happening Now

July's Board voted to replace the face mask requirement with this poster at our entry.

### Other things happening are...

- The Wenatchee Watercolor Society was interviewed by Jaana Hatton for a story she is doing for the FootHills Magazine. World reporter and photographer Luke Hollister took many photos of the group during a morning paint out at Adelle Johnson's home. Look for the September/October issue of the FootHills Magazine.
- Dan McConnell is showing his work at the Northwest Museum of Arts and Culture and will have a show at Pybus in August.
- Lisa King, a new member relocated from North Carolina to Wenatchee and is showing her paintings this month. She has extensive experience in hanging art and will be helping Russ Hepler at art entry dates.
- Marie Alice Hurst has sold 10 of her stained glass artworks in antique windows. Congrats to you and all other artists who have made sales.
- Jan Theriault's photo of "The Eagle Has Landed" was chosen to be one of 12 that will be on the 2022 Calendar for Cashmere Valley Bank.

We are fortunate to have our gallery in beautiful downtown Wenatchee, just below the fountain. Soon the city will be beautifying the area next to the gallery and around the entrance to the Riverwalk Bridge.

## Celebrating 75 Years with a Virtual Marketplace!

July 21 - August 4 at [bamartsfair.org](http://bamartsfair.org)

### Bellevue Arts Museum Arts Fair

The Bellevue Arts Museum Arts Fair is getting a new look this summer, and just in time for its 75th anniversary. To safely connect artists and community members this year, the Museum is reimagining its signature summer program as a virtual event and marketplace, which will be held July 21 - August 4, 2021 at [bamartsfair.org](http://bamartsfair.org).

The BAM Arts Fair will feature works from 132 juried artists on a custom BAM Arts Fair e-commerce platform developed by [The Garrigan Lyman Group](http://TheGarriganLymanGroup.com), a strategic digital agency in Seattle. The platform includes opportunities for visitors to engage directly with artists via video conferencing; commission custom orders; filter products by medium, artist, item type, and other criteria; and enjoy exclusive programming featuring artist interviews and kids' activities.
