

## Board Notes:

### Gallery Membership Now \$50

- Your gallery Board decided to raise the price of membership for 2020 to \$50 as it has remained stable at \$45 for an Individual annual membership for 11 years. We will honor those who paid \$45 before we changed to amount.
- We are replacing our lap top computer and having to advance to Windows 10 and new software for the treasurer to keep track of sales and business expenses.
- We appreciate the donations by our members and community businesses. Without your continued generosity it would not be possible to have an artist run art gallery in Wenatchee.
- Thanks too for helping to make our First Fridays so successful. The food table usually is impressive. Some folks bring food each month and are appreciated by both our folks who prepare our beautiful tables and guests.
- Art sales for our February reception was \$545.

### A Note From Sasha Sysseva

Our member artists who have existing Facebook or Instagram accounts should press "Like" on the gallery Facebook page or press "Follow" on our gallery account on Instagram. This way, when the gallery has a new post, the gallery can "tag" our members to the post and members' friends and followers would be able to see the gallery post and they can even repost it on their social pages. This will increase exposure for the gallery and will increase the audience online and will help our business in general.

I also encourage our members to comment and "like" posts from the gallery online. This online activity affects the gallery's popularity.

## You Are The Featured Artist Next Month!

All members will be honored by having at least one of our pieces of art in the front rooms. At our next First Friday the gallery celebrates its 11th year sharing the work of local and regional artists with our community.

Over the years we have provided a place to teach and learn from each other, to invite the community to celebrate the creative talents of area artists and give the community an art gallery. We are also a resource for area schools.

A promotional poster for the Two Rivers Art Gallery. At the top, it says "First Friday at Two Rivers ART GALLERY" in white and red text. Below that, it says "Presents our Members Show & 11th Anniversary Celebration" in a large, stylized yellow font. The poster features several small images of art: a sunflower, a sunset over a lake, a basket of fruit, a winter scene with a cabin, a mountain landscape, and a colorful abstract portrait. At the bottom, it says "Friday March 6th, 5pm-8pm" and "Show continues through the 27th". It also mentions "Celebrating over 50 local and regional artists" and "Music by soft jazz duo Patric Thompson and Glenn Isaacson Complimentary refreshments". The address "102 N. Columbia (bottom of 1st Street) • Wenatchee • 2riversgallery.com • 509-888-9504" is listed at the very bottom, along with the note "Two Rivers Gallery is an artist-run gallery of over 100 members."/>

## Like Kind Memberships

We have Like Kind memberships with other organizations and businesses.

The Chamber of Commerce gives us a free membership and we give them a piece of art for their silent auction.

The Wenatchee Symphony orchestra gives us a nice ad in their annual booklet and we give them a piece of art as well.

Last year Jean O'Keefe and Ted DeMarce gave artworks. This year Jan Theriault gave a framed watercolor.

If you have a piece of art we could give to the Orchestra please let us know.

## A Check For You

If we sell one of your cards you will not get a check by mail until your personal sales amount to at least \$25. Our outgoing treasurer was donating stamps and office supplies and not charging the gallery for her expenses. Wow! Thank you to our outgoing treasurer Terri Meenach.
