**Greta Jill Register**

Jill was born and raised in Bellevue Washington and comes from a very artistic family developing a deep love of art, music and nature early on in her life.

Being an avid gardener she enjoys creating spaces filled with exuberant colors and textures and then paints the scene she has created. Jill also enjoys painting scenes from vacations she's taken over the years, reminding her of the fun times she has shared with family.

Jill is currently working in the mediums of acrylic and watercolor, painting landscapes and florals. She hopes that her artwork brings you inspiration and joy!
