

Wenatchee's SpringHill Suites
HOSTED in MARCH
A one man show by local artist

*****Warren Bissonnette*****

Wenatchee's *Marriott* Hotel is known for its promotion of local artists. Each year our artists are invited to exhibit the talent of local artists.

Many local artists are members of Two Rivers Gallery. We help local artists promote their work and help them find venues to exhibit their art.

Introducing clay artist Warren Bissonnette. This is his first 'one man show'.

...the lady waits...

....a pot for every taste...

...yes, pottery is sculpture...amazing!

....does this pot sense pleasure?...behind the beaded curtain are the brew makers of Saddle Rock Brewery. They provided samples of their locally crafted 'blonde ale' fully hopped beer.

SOLD! The monkey captivated Ronnie.

SOLD! Char loves owls and Warren's pot has found a new home.

Vegetables, fruits, meats, cheese & condiments

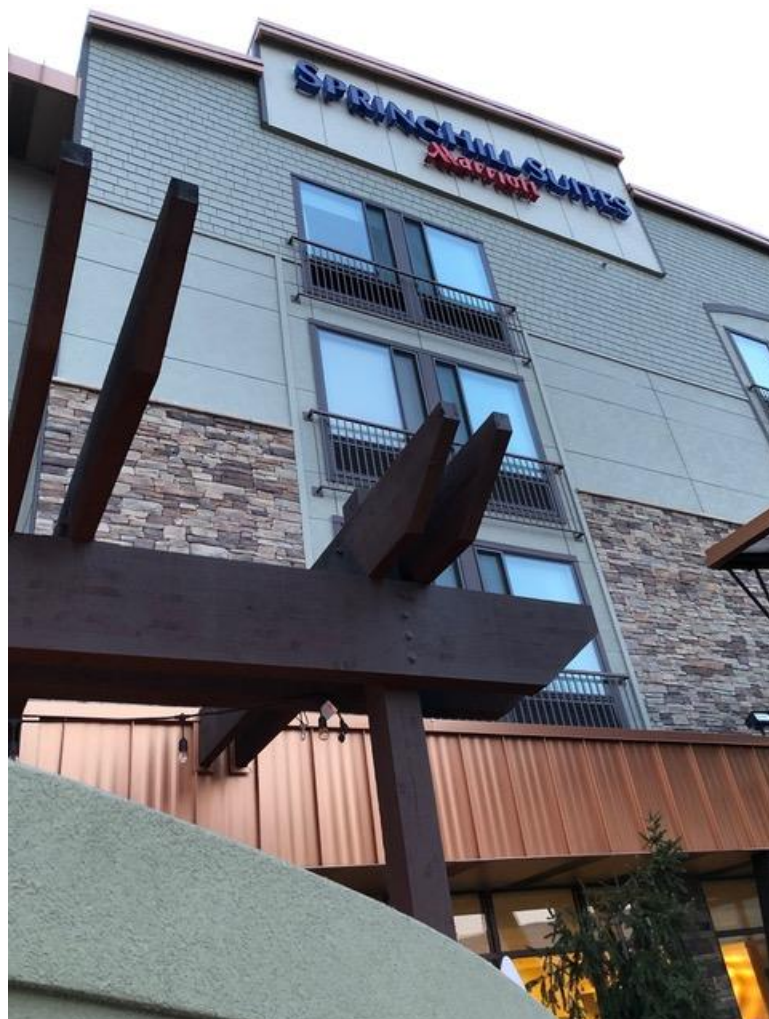

Hot drinks, meat balls and spaghetti with green salad.

Members of the gallery show up when there's a party. We support each other's success. Congratulations to Warren for a great show of his talent.
